Renee Wymer

The Dorset Library is writing to ask you to support us with a financial donation. With so many gracious community members, we know we can count on you to help keep the library moving into the future.

In 2023 the Library had many accomplishments and record numbers:

- Hosted 294 programs with over 2500 attendees
- Added 125 new patrons
- Circulated over 8200 items
- Borrowed and received almost 1300 items from other Libraries around Vermont
- Had over 5500 visitors walk through our doors

We are working hard to create a robust schedule of programs and events for this coming year. We are always striving to keep the community engaged and connected with programs for everyone. Please visit our website to see what programs you would like to attend. The board and staff hope to see you at our "Thank You" to the community during our annual Dog Days cookout! Another major improvement coming soon is a new internet service and networks. We anticipate this will allow wireless printing and scanning!

If you are not a patron, we invite you to join the Library in person or via the form on our website. The Dorset Library is lucky to have a growing community and the support of so many. We could not do it without your donations and patronage.

Thank you for your support.
